UULU THE CULTURE CO-OP
PRESENTS THE CHILDREN'S MUSICAL

Muurikki and the forest inhabitants

Functional concert with ancient Finnish instruments.
Suitable for 0-10-year-olds.

The story of Muurikki the cow takes the children 150 years back in time. The story allows the children to learn how shepherds have protected their cattle in the past. The concert also allows participants to hear the music that was played in Finland at the time. Each participant can try one of the ancient Finnish instruments during the concert while the soundscapes change and the story progresses.
